Thoughts and prayers are with the family at this time. I remember Aunt Joye and Uncle Mut would come to Momma and Daddy's house and Aunt Joye would sit at the table and supervise and she didn't mind telling everyone how it was. I could always call her on the phone and talk for hours. She would tell me how sweet of a mother I had. We will love and miss her alot. The Yarborough Family

Aunt Joye was always the "cool" aunt. She would keep secrets for you and was always so entertaining. She will be missed by so many. When I received word about Aunt Joye I was shocked. I truly thought she'd always be around. I ended up laughing as I recited all the stories about Aunt Joy to my co-workers and they laughed too. I think Aunt Joy would have liked that.

Aunt Joye was a much loved fixture in my life; she was always there when one of us needed her. She helped me through hard things in my life many times. I will miss her so much. The world is a lesser place without her.
