I use to spend so much time with Aunt Mildred as a little girl. We would play hospital. She is where I got my love of animals. I sent christmas cards every year. Even when I left Texas. When I would come to Houston I would take my kids to see her. No one contacted me when she past. I sent a card once and it was returned. I miss you so much h Aunt Mildred and thank you for teaching me so much about animal, especially cats and silky chickens .

I spent a lit of time with Aunt Mildred. She had cats, dogs, and Silkie chickens. She is why I love animals. I sent her a Christmas card every year. This way she had my address and phone number, even when I left Texas. I thank you for being one of my aunts they showed and taught me a lot of stuff. I love you Aunt Mildred and miss you so very much ❤️❤️
