Everyone always says that time heals the pain. I know that in great time it may get easier but, as for now some days seem to get harder. I know you can't turn on a computer and read this so I continue you to talk to you in my prayers. I love you and miss you so much. I am glad you can no longer suffer but, I wish we could of had a little longer together. I still can't believe your gone. I will carry you in my heart always.
