To the entire Cedillo family, I have been a part of all your lives since 1996. I have been blessed to have been a part of your family. Your mother was very special to me and I will miss her as much as you. I know that she is in heaven looking down at all of us. She will now become our Guardian Angel. God Bless your entire family in this loss. I pray that they will find a cure for cancer so that we no longer lose our precious loved ones.
