This world has lost a good man, and, I have lost a good friend. Ours was a business friendship that spanned 25 years. We usually talked at least 3-4 times a week, and not only about business. I do miss him. My thoughts and prayers are with his family.

Becky, You know just how special Wayne was to all of us. I will never be able to think about him and not see the smile he put on my daughter's heart by allowing her to ride the mechanical bull at age 11. He touched so many lives. No wonder you and he got along.....you do the same thing. Know that we are here for you. Thank you for sharing him with us. Love you,

Wayne was a man's man, he blazed his own path. For the last 16 years that path included my sister Rebecca and by default us, her family. I will always respect Wayne for how he loved my Father and Mother, and for how he took care of my sister. His life was taken away from us quickly, before we could even say Adios. I look forward to playing golf with Wayne and my father...

Sis, words escape me as we try to come to terms with your loss; with our loss. Wayne was an important part of our family. He was so good to Mom and Dad and he loved them as I'm sure he loved his own. He always greeted us with a genuine hug, always asked about our well being and listened to us as if everything we had to say was important. That's how he made us feel. He was a good person and now he will be waiting for us along with Dad and our beloved sister Christina to greet us and we will get that wonderful hug again. And Sis, don't worry. It will all happen in a blink of an eye
