Shawn was the best cousin I could have and even though I wasn't around him that much, I know that he was a great person. I can still remember my cousins, Rebecca, Mikey, and I watching Care Bears at around age 6 and Shawn teasing us.

Ah Sweetheart. My head knows that you are wrapped in God's arms, that you are being watched over up there by so many good people, and looking after the children-probably with my Cody on your knee right this moment...but still it feels as though someone has ripped my heart right out of my chest. We will forever love you, and cherish our memories with you always.
