We have been so blessed to have known both Betty and Ed. I first meet Betty while working for the City of Seattle Law Department. Her words of comforts and her sense of humor will remain with me forever. I have a lot of great memories of Betty and so glad that we were able to visit both of them in Dallas. Betty, I can hear you now saying Ya Hoo! Take care my friend and know that we surround you and Ed with love. Bonnie & old Henry.

Our office is heart broken over the passing of Mrs. Waters. How can words ever describe the incredible person she was. She possessed a wonderful ability to make us laugh over the smallest thing. We all feel blessed to have known her and extend our love and deepest sympathy to Mr. Waters and family. May we all remember her laughter, her smile, and the friendship she offered unconditionally. With our deepest sympathy, Frances B., Maria R. and Dr. James Palermo

To My Other Mother by Judy Nilson You are the other Mother I received, the day I wed your son And I want to thank you Mom, for the loving things you've done. You've given me a gracious Man, with whom I share my life You are his lovely Mother, and I his lucky Wife. You used to pat his little head, and now I hold his hand You raised in love a little boy, and then gave me the Man.
