Uncle Sonny, as I knew him, was always friendly to me and made me feel welcome to the family. His warm smile & jokes leave me with happy memories of his visits to our home. Janice, I am so sad for your loss, but also know that Sonny lived a full & productive life. He left his greatest legacy in You, a loving and happy daughter who always put him first in her life. I apologize that I won't be there for his service, as I will be at the Women's Retreat for my church. Just know that I love you girl\_!
