So sorry to hear about Linda. Linda was the sweetest and kindness person. I enjoyed working with Linda during our years in Payroll. She always talked about her daughters and grandchildren so I am very sorry for your loss and I know she will be greatly missed. My thoughts and prayers are with you all, Tina Layne

So sorry to hear of Linda Fay's passing. Girls and family please know that Helen and I have been and will continue to remember you all in our prayers. So sorry also that we will not be able to attend the funeral as both of us are not feeling real well. We both have been sick with these flu like (whatever it is) and are just getting over that. Linda was a wonderful mother, caregiver Christian and friend. Quiet, in the background just going about doing what she could for the Lord and family. She will be missed. Love to all. Linda was a very special person. She helped me get my first job with Foley's. As a young teeneager she past her clothes down to me. She was always kind to all my family. I am so sorry. I can just imagine all the family greeting her when she went to heaven. What a great time they must have had!
