I never really go the chance to say goodbye, as I passed your picture today I smiled. We may not have realized how important you were to a young couple just starting out with children... but you words, advice, jokes helped us along the way. Your presenance will always be here as I raise these 3 Gutierrez children.... Thank you Mercy

Truly a beautiful person, Mercy will be missed. To all my Gutierrez cousins, may you be granted the spiritual strength to endure this loss. I too will miss Mercy. I'm deeply sorry that I was not able to visit with you in person during this time, but know that all of you have been and will be in my heart, thoughts and prayers.

Ma, I will forever miss and love you so so so much. You have always and will be my hero. In everything you did you did it for Carina and myself not only so that we would understand why, but to leave us with the memory of your actions to be followed. I know what I promised you, and I will do all that I can to live up to it and follow your example as a person, parent, and most important a Christian. I know I will see you again in Jehovah's paradise.

Mercy, Time passes so quickly and it seems like just yesterday we were laughing about how silly we were as youngsters. I'll never forget all the fun times and laughter we shared at both of our childhood homes. You will always be in my heart. I will never forget you or your contagious laughter. What a beautiful legacy you left your family: love and goodness.

Our hearts are breaking because we lost a very loving and caring person. Aunt Mercy was a beautiful person on the outside and especially on the inside. She always had a smile on her face and she made you feel loved and accepted. She will be dearly missed but I know that God will fill that void in our hearts with memories and love for each other. Uncle Fernando, Carina and Daniele, please know that you are in our hearts and prayers. You are surrounded by family and friends who love you very much. I pray to God to give you the resignation and strength to go on and live the life that your mother would have wanted you to. We love you and are here for you.
