It's still hard to believe that you are no longer here, but I know you are in a better place and will be watching over us with mom. I miss talking to you, and could never thank you enough for what you have done for me. I just can't wait till the day comes and I get to see you and mom again. Love you Sis, and you will ALWAYS be in our hearts.

I know you are in a much better place and are no longer in any pain, but it hurts so much to not have you here. I will always cherish the memories we had and I will never forget the times you were there for me and my girls. I knew I could always count and depend on you. I miss talking to you and getting your emails, whether they were jokes or words of inspiration they always seemed to come at the right time. I know they say time and leaning on GOD will heal the pain we feel but I look forward for the time I see you and mom's beautiful smile again. I miss you so much sis. Love your brother, Daniel

We're thankful to have known Karina and for the memories we have of her. Every time I think of Karina I see her smiling and wearing an Astros t-shirt. We lost a beautiful person, a good friend, a great Astro's fan, an example of a Mother, and an exceptional wife. Our condolences to the Pena family. God says Matthew 5:4 Blessed are those that mourn, for they shall be comforted. May the Lord bless you and your family and comfort you in ways you didn't even imagine.
