I am blessed to have so many memories of us together. Memories that will never be forgotten. Your loss makes me cherish every moment I have. You were always there to back me up, whether I was right, or wrong. You let me live my life, and was ALWAYS there to pick me back up when I fell, and to cheer me on when I needed it. You are the best father I could ever wish for and will love you forever. Words can't express how much I'm going to miss you. I love you Dad. This isn't goodbye, it's see you later! Gator!
