Those who have loved deeply can never truly be separated. Though years have gone by since we roamed the yards of family homes in Morris, OK. and I never got to meet Bob, Arlene I am praying love and comfort for you in your loss as though time stood still for us and we were still close. I know the years meant I didn't get to know your family but I hope that will change. I would love to know about Bob. My loving condolences to all.
