To the Ledbetter Family, I love you all so much and I dearly loved your mother. I have so many fond memories with Aunt Lois, from going to the farm where we were when President Kennedy was killed to her delicious german chocolate cake. Most recent was the trip we took to Eva's with your mother and Aunt Irene. We shopped Cracker Barrel's in every stste and then shopped some more at Eva's Treasure Chest. We laughed and shared memories the entire trip. I talked to Aunt Lois last week and she was very upbeat. She was happy and bragged on all her children for being back in church. If we could save money like your mother and mine, we would all be rich some day. But wait, we are already rich and very blessed with the legacy they left us. I'll treasure the memories I have with you and your family. We offer our prayers during your difficult time. You know Aunt Lois is in Heaven with Uncle John. Love,Geraldine
