Dear Bruce, we share a few classess for Health Information Technology at DeVry Houston campus. I did not get to know you much, but the little we shared was your witty personality. You were easy going and liked happiness around everyone. I pray for you buddy, so your soul can rest in peace. Thank you for sharing academic moments with me at DeVry and your joyous way of treating people. May God bless you Bruce. With love a friend and peer Gloria Imitola from Houston, TX.

Life is but a stopping place,A pause in what's to be,A resting place along the road,to sweet eternity.We all have different journeys,Different paths along the way,We all were meant to learn some things,but never meant to stay...Our destination is a place,Far greater than we know.For some the journey's quicker,For some the journey's slow.And when the journey finally ends,We'll claim a great reward,And find an everlasting peace,Together with the lord
