My deepest sympathy to all of Ella Mae's Family. Ella Mae and I have been friends for over 50 years and I loved her and all her Family. She was the best friend you could have and we had a lot of good times in school and after. She was beautiful inside and out and, I am a better person for having known her. She, her Parents and Brothers were like Family to me all of our growing up years. I am so thankful I called her to chat just the week before she became ill. Still the same old Friend and beautiful as ever. Much love, my Friend.

The way I look at the world there are people who the this time on earth a better one simply by being here with us. Auntie Ella Mae has been a constant source of love and laughter. Her beautiful spirit was apparent to all who knew her and her larger than life personality will be missed by everyone. It is like a giant human sized box of colors here on earth just lost it's most brilliant red for without Auntie Ella Mae's here the world seems to be less vibrant. Thank you for COLORING my world, Auntie Ella Mae! We will never forget you!!
