Losing another loved one in my life is very hard to accept and overcome especially when you feel someone has been taken from you too soon. Frances was a beautiful woman inside and out, who I love very much. She had a warm heart and kept open arms for everyone who came in to her life, especially her family. As a daughter in law she welcomed me into her home and accepted me as one of her own children. I will cherish many memories we have shared together and shared as a family. I will keep her close in my heart forever.

Dear James and family, There are no words that can express how sorry we are for your loss. I remember the last time I saw Frances, we ran into the two of you in the store. She was so happy and had such a beautiful smile. She loved you all so much. I know it is hard right now, but try to remember the good times and memories that you have. They will bring you comfort when you are feeling low. May God wrap his loving arms around you and help you during this difficult time. We will keep you in our prayers. Frances loved and wanted to please those she loved. Her love was truly unconditional. She didn't hate or hold a grudge. She was quick to forgive and wanted to please those she loved. Every time she came to the house I knew I was going to be greeted with a kiss, a hug and a great big squeeze because she wanted me to know how much she loved me! Frances, you truly were a "lover" of people! You are now at peace and though it's a difficult time we will hold on and cherish the memories we have of you! Love forever and always, Jeannette
