I n my heart you will always be smiling precious little baby girl Always and forever your pictures will remind me of you. Beautiful big blue eyes piercing right through me Ever quietly looking around, listening to familiar sounds at home Loving every moment spent with Daddy, Mommy and even me. Leaving us behind to watch over us from heaven Angel baby arriving happily and safely into the arms of God our Lord. Missing you terribly, thanking God for giving us the time to spend with you for 25 months and 1 week. May you rest in peace, dearest grand daughter, surrounded by angels in heaven above. Love always, Gwama Minnie

Lullabies Daddy please don't look so sad, Mommy please don't cry. I am in the arms of Jesus and He sings me lullabies. Please do not try to question God, don't think He is unkind. Don't think He sent me to you and that He changed His mind. You see, I am special and I'm needed up above. I'm the special child you gave Him, the product of your love. I'll always be there with you. So watch the sky at night. Find the brightest star that's gleaming. That's my halo's brilliant light. So Daddy please don't look so sad. Mommy please don't cry. I am in the arms of Jesus. And He sings me lullabies

Isabella, I did not know you, but I did know your grandmother Minnie. She spoke so much of you, and your mommy and daddy; they did all they could to make it as happy for you here on earth. But little angel, GOD had another plans for you....to come home to him; no more sickness in your body only joy in the presences of your Heavenly Father. I pray that your family will one day be able to smile in remembrance of all the joy you brought them while here on earth.
