"Aunt" Pat, even though she wasn't; that's all we ever knew her by, our own Angeli fashionista. She was funny, fun and sweet. Even though we didn't get to see much of her these last years, she will be missed.

Dear Cindy and Family, I am very saddened to hear the news of the loss of your Mom. You and your family are in my thoughts and prayers. It is times like these that a person realizes how short life really is and the importance of being with family and friends. Put your faith in God and he will give you the strength to handle your loss. All my love, Patricia Lamza Elder

Debbie, You know your mom was one of the only people I knew who had that "salon" look all the time! I loved those times we spent in the window seat with your mom orbiting around the kitchen and just being that force of nature that she was. Too many wonderful stories to write here, but know that I love you and please give your dad a hug from me, Lanette

Debbie and Cindy,I was so sorry to hear of your mother's passing. She was truly one of the most beautiful ladies I have ever known....always had that makeup and hair just right! I will always remember her at all your family parties, sitting there so pretty and enjoying all the hoopla, with your Dad sitting protectively nearby. What I loved most about her was that, even when she wasn't feeling well, she always had a smile for me and something really sweet to say. I'm grateful to have been a part of your family. Love to you all, Connie and Lowell Everitt
