To the Charlton Family Mrs. Charlton will be deeply missed by me. I loved her very much like my own mother. I feel like she raised me just like my own did. I love each one of you dearly. You need anything I am just a phone call away. Cheryl you have been my best friend since 1st grade we have had are ups and downs but we always seemed to find our way back into each other lifes. I remember when you was having your first child and I had already had mine. Then you had one more after that. Now you and your family help me celebrate my new granddaughter. I love you and your family for cherishing my great moments in life. Your adopted sister Tina Hicks Elledge.
