Geronimo Castillo Garza

NOV 14, 1935 - NOV 27, 2014

Geronimo Castillo Garza “PAPO”, 79, was called home on November 27, 2014 in Humble, Texas surrounded by his family. He was born on November 14, 1935 in Mexico. He was a loving husband, father, and grandfather with a big heart that always loved talking to everyone and loved being surrounded by his family.

Mr. Garza is preceded in death by his parents: Mauricio Garza and Rosa Castillo. He is also preceded by his siblings: Ernesto Castillo, Adolfo Garza, and Generosa Castillo, along with his grandson: Gregory David Torres.

Geronimo Garza is survived by his loving wife of 52 years: Emma Garza, his children: Mauricio G. Garza and wife Monica, Rose Y. Ortega and husband Guadalupe, Elizabeth J. Torres and husband David, Geronimo Garza Jr. and wife Monica. He is also survived by his siblings: Dora Damian and Mauricio C. Garza, and 7 grandchildren: Matthew Garza, Danielle Torres, Brandon Torres, Max Ortega, Victoria Garza, Luna Garza, & Nicholas Hernandez, numerous nieces, nephews and many dear friends. Many thanks to his beautiful sister in law, Irma who helped care for him through out the years.

Though you have left us too soon we have comfort knowing that you were so happy that day enjoying your family and smiling saying goodbye. It has been said that the best dads get promoted to “PAPO” and daddy you have exceeded that, And though you have left us too soon we know you have become a guardian angel to the kids and this family. His greatest joy was all his grandkids and his family. He loved telling us about current events, jokes, sports, and his stories of life. We are all heartbroken right now that we lost our PAPO, our dad, husband, brother, and uncle. But we know that this is not goodbye but see you later because we will meet again in God’s garden. It’s time for you to rest with God and have your coffee every day as you sit in heaven watching over us. Love you Dad!!

Soon it will be year since you went to God's home. I miss you so much! My heart still does not heal; I know you hear me everyday and every night. I know you see my tears, My love for you is so strong that I cannot let go. This year you will not be here to celebrate our birthday; I'm told your spirit will always be near. I wish I could turn the clock back to that day to see you one more time. I'm glad for the memories that's what keeps me going. I always say I had the best Dad of the whole world. Love you always.

Le acompaño en su sentimiento, y le pido a Dios que le de la fuerza que necesita para sobrellevar su dolor en estos momentos tan difíciles, bien sabemos que la muerte es algo que sucede cada día. Pero existe una esperanza según Revelación 21: 3,4, Juan 5: 28,29 y Hechos 24: 15, en estos textos se nos da la bella esperanza de la resurrección, ¿no le gustaría volver a ver a su ser amado que ha fallecido? Seguramente que sí. Para aprender de esta promesa solo hay que seguir el consejo de Juan 17:3, cito: "Esto significa vida eterna, el que estén adquiriendo conocimiento de Ti, el único Dios verdadero y de aquel a quien tu enviaste, Jesucristo.". ¡Qué maravilla! Volver a ver a nuestros seres amados que duermen en la muerte. Espero que esta esperanza le ayude a sobrellevar su pena.

Daddy I cant seem to accept that you are gone that I wont see your beautiful green eyes anymore. I am so thankful for everything you taught me and the stories you would share with me. I keep thinking did I miss something on that day but I just keep remembering how happy you were and how excited you were about Thanksgiving at my house. How you were happy that all the grandkids and your family were there. Dad you were the best dad, husband, and Papo. You were my rock and would always tell me it would be ok. I will miss our talks about the Texans and current events. Thank you for being the great papo to Danielle & Brandon. You were invincible and the world to them and they miss you tremendously and so do I. I keep crying and hoping I could bring you back even if for one day or to take your place just to shower you with Love. But I promise that I will take what you showed me and follow the values you instilled in me and become the best person so I can honor you. You taught me to never give up and to work hard. And I will continue that to honor you and keep the memories alive for the kids. I love you so much and I miss you tremendously but I know that I know its time for you to rest with God. I don't say goodbye but see you later because I believe we will see each other again. Love you dad..your daughter Lizzy.

Bro, you were the oldest of 4 children and a Dad to me, since our dad went home to be with the Lord so young. You helped our mom to raise the younger ones and that I will never forget. I am honored and thank the Lord the for giving me a brother like you. I will love you always and will never forget you, for you were a wonderful brother, husband, dad and granddad. Say hi to mom, Adolfo, Gene and Ernesto and when the Lord calls us we will join you. I miss you already.

No greater man has existed in my life who said so little yet had the greatest impact in who I am today. You words were few but your kind and humble spirit blessed me in many ways. You led me to believe that you were invincible and we could overcome everything yet on this day of Thanksgiving I was the weaker of the two. I love you dad, and will forever miss you but I will never forget you. You were my rock and my strength in the midst of my storms. You showed me to be strong and be someone that could be counted on. You showed me to be fighter a fixer yet today I can't fix you. I love you dad like I never knew and I would give all that I am to just have you back one more day. May you finally rest and be in peace for you live in my heart forever. Greater is the man who lives within me than I that walk this world. Gone but never forgotten... Your Son Mauricio.
