Arlene was a true Lady and all-around class act. She had the kindest smile that would just light up her face. I truly loved working for her at Holy Trinity Methodist...she took a chance hiring me without any previous teaching experience--which spoke volumes of her generosity. Perhaps without her even knowing, she taught me how take a leap of faith on one's character alone. I hold that example dear and think of her often for it. I hope her family takes comfort in how her spirit touched so many. Mike, I'll never forget her face when, after working for her a while, she finally made the connection I was "that" Regina...it was the nicest scolding I've EVER received
