My Uncle Buddy had a laugh no... a "snicker" would best describe it when he found something funny or when he was being humorous! I will forever see his grin and hear his "snicker" in my head and my heart! To this day at the ripe ole age of 46 I still cannot swim, all in thanks to my Uncle Buddy attempting to throw me in the pool as a youngun. He was an awesome guy....he was exactly what an uncle is supposed to be. Forever in our hearts. God Bless, you...until we meet again. Oooxxx Karyn

I would like to extend my deepest sympathy to the Belcher family for their loss. What keeps coming to mind is the day of our kid's wedding in Kemah. My mom and I watched as my son-in-law, Buddy and Nick stood on the pier. We both thought that is such a good picture of a father and his sons. Unbreakable bonds! May he rest in peace. Rose S. Landin

Summer trips to Garner State Park were always so much fun with Buddy. He was always so chill and he always took the latest movies and his TV on our camping trips. We are going to miss you.
