We met Robert through the Color Guard at Oak Ridge High School. We could always count on him to do anything we asked to help the guard. He was funny & had such a quick wit. We will miss his Facebook posts. Our thoughts & prayers are with his family & children during this time & through the days ahead. Robert will be missed - bless him & all of you.

Robert and I were childhood friends, graduated highschool together, as well as worked at Astroworld together one summer!! We would often ride back and fourth to work...and I don't know why this particular memory comes to mind, but on the way home from work...It would be dark out and we would wear our sunglasses because it made it look like we were in a video game... We would crack up laughing the whole way home.. He was so funny and full of life. He will be greatly missed.

We spent 20 years together and had 4 wonderful children. Although we did part ways, Robert and I remained close, he was a wonderful dad and his children love him so much. It's difficult to imagine life without him around. We will all miss him so much and this is a huge loss for us all. My thoughts and prayers are with his family and Michelle and most importantly I pray his children can find strength and peace in dealing with this loss, a loss I wish they never had to go through. I will do my best to help his memory live with them and that they never forget what a wonderful dad they had. Heather Pauls
