A note from Carl's mother. I would like to thank you all for the love I have been giving from all the family and my son friends. I have a lot of thank you cards to sent out !!!! I will get it done. I just need some more time. I miss him so much it's hard to do right now. I was just thinking about his first day of school. He was so cute, all the girls loved him, they come up and gave him hugs and his eyes got so big. It was so funny. Thank you God for all the fun times we all had with him. And again thank you all. Corky Mom loves you so much sweetie. Until I see you again. xoxoxo

You were part of my life for a short time and I don't understand why we were put in each others lives to only be taken away. In this time we made each other happy and you opened up my eyes to so much. I will never forget you and how much we cared for each other. I just wish I had one more chance to touch you and talk to you! You always put a smile on my face. You will be forever missed and will always have a place in my heart!

I can always look down at my left hand and see the scar he left there....on accident of course. He would always rough house with me, and swing me on bean bag chairs lol. It's funny looking back on. I wish we could have been in each others lives more. :(
