I am so sorry for your loss I'm sending prayers for the family in this time of need. Jean will be greatly missed by everyone who knew her. I have always remembered the time we were talking an Jean told me about teaching the kids how to wash the dishes an would tell them you have to wash the back of the plates to they are dirty to. So for years when I have been washing my dishes I always remember that conversation we had at the Hang Out on Dale Dell so I past it on to Brittany and Bubba. R.I.P. my friend you may be gone but you never will be forgotten.
