I remember when I turned 13. This was the last time we hung out together. It was July 8th and he woke me up early. We were at gran gran and I was nervous about turning 13. When he woke me up he told me that he had a surprise and I just smiled. He took me and Osso swimming behind the house. We were there for a few hours swimming Non-Stop. When my mom pick me up that was the first time since I was a child that I was very sad to leave him. After that we really didn't speak
