I worked with and for Mr. Phil as a mechanic/grease monkey in my younger days. Really enjoyed my time with him. He was sincere and funny. He was a great friend to my Mom and Dad and I was fortunate to have had him and his family in my life. Almost forgot, we had some Epic bottle rocket fights off of Ridlon. He was always so young at heart. I will always remember and love Mr. Phil.

I have so many fond memories of Uncle Phil as a child at all the holiday and family gatherings and Nana and Papaws house. Especially the times he wrapped up cans of "crunchy corn" for our presents. He was fun and loving with a great sense of humor and also a great cook! He will be missed. My condolences to all his cool kids, my cousins, and family. May he rest in peace. Love, Janet

Phil & I had some crazy times over the years. I came into the family as Misty's husband over 23 years ago. I don't know how many times I ate Phil's awesome barbecue. I will miss that for sure! I remember driving Phil here or there a time or two & laughing at him being a nervous wreck over my driving. I'm so happy that my father in law is now free & celebrating on the streets of gold. Catch ya on the other side my friend!

Knew him through Rick Dillard, he was a funny man with a great sense of humor, he and Rick played a joke on me, Phil pretended to be the irate husband that was going to come over and whoop my butt) of a real pretty girl named Francewa that I was gong out with, he had me crawfishing real good. God's speed Phillip T. Rick was paid back in full.

Time goes so quickly. Philip and all of the Tilotta's were my second family and took me in as a child. Mary was my godmother and my refuge. Philip was just a year younger then I was and many a night we played in the streets on Rose Ave. We looked for craw dads when it rained, caught frogs and climbed the big tree in the back yard. (Yes I was a tomboy). Those were the very best memories of my childhood. We grew up and went different ways but none of the family was ever far from my thoughts. You always think you will see them one more time but that is not always to be. RIP Philip Lee.

Uncle Philip was a kind hearted, and loving man, and would do anything for anyone. I have so many wonderful memories of him growing up, he was like a second father to me. I remember he used to love putting on country music and sing around the house, and he made the most amazing barbecue brisket, and sausages. I love you uncle Phil and know you are resting in peace with your mother, father and brother. 💙💜
