## **Ms. Ethel Dean "G" Walker**

JUL 21, 1921 - APR 13, 2017

**E**thel Dean "G" Walker would like to let you know that her work here is done! She received a call with an offer she cannot refuse for a highly sought after assignment from which she will not be returning. This assignment comes with a huge signing bonus, a reunion with family and friends, and perks you cannot imagine that lasts for an eternity. This new role takes her to a place that is very, very clean, has many seafood and Mexican restaurants, doesn't allow pets (in her section only), and allows her to take a break from keeping up with all of her grandchildren and children at all times. The food is delicious and you never gain an ounce, making it possible for her to reestablish her beauty pageant career. She left strict instructions to her daughter and grandchildren to make sure everyone celebrates her accomplishment in this current mission as it has been completed. Low adherence to this instruction will not be tolerated!

G was ahead of her time and was an early example of a strong woman often being referred to as "The President". She raised a gifted, independent daughter and four grandchildren to love the Lord, love your family, and be your own person at all times. She reminded her children to "know who are and to know whose you are".

G left with a peaceful send off Thursday, April 13th surrounded by her loving family. She was born July 21, 1921 to Rex and Allie Pitman in Bald Prairie, Texas. She attended Bremond High School and later married Leo Walker in 1944. Leo was the love of her life, and they raised two children Jack Edward and Donna Marie in Houston Texas. She was no stranger to service and duty and was a military wife during WWII.

She faithfully attended Channelview Church of Christ and most recently Wallisville Road Church of Christ and was the moral center of her family. She raised children and grandchildren to make God the center of their life for she knew that Legacy is not leaving something FOR people, rather it's leaving something IN people.
