Debra Moore posted:

I wish to offer my sincere condolences to your family during this time of loss. I would like to share some comforting scriptures with you that help me when I am experiencing similar situations. Philippians 4:6, 7 promise that the peace of God will guard our minds and hearts when we persist in prayer to God, and Isaiah 25:8 assures us of a time in the near future when death will be swallowed up forever. May your family take comfort in knowing that.
