Mrs. Irenia Ray White

AUG 23, 1961 - JAN 22, 2018

It is with the most painful regret that we announce the death of our beloved Irenia R. White. We now know that this is one of the most pain-staking moments for a family to endure. The loss of a matriarch, mother, wife, sister, grandparent and friend are composed of the most profound senses of loss within the relational human being. As her children, we knew her heart beat rhythms before we had ever laid eyes upon her countenance. As her husband, one has lost the love of his life, as a sister and a friend; a treasured companion of truth has been lost and as a grandchild the greatest spoiling love of all time has been exhausted. This by far is the deepest pain; we have yet to have to accept. However, in these most vulnerable moments, we acknowledge with great responsibility the endeavor of paying tribute to the most beautiful Mosaic of Love, Strength, Intelligence, Compassion, Resilience and Laughter that only one human being in all of our lives, has ever possessed, Irenia R. White. Our beloved mother was a believer and is now using her gifts in service to The Almighty King. Momma, you loved us first as your little angels and now you have become our Angelic Guardian. We are forever; madly, deeply in love with you, always. Our prayer for you is that your first day and the days thereafter in heaven are no less than magical! You've traded time for eternity and we will miss you all of the days of our lives. Until we meet again beautiful, in that home away in the sky.

Irenia is preceded by our beloved Matriarch, her mother, Elvira Teresa Villegas, baby brother Marcos Campa, grandparents Fidel and Ramona Villegas and Francisca Campa, and her Aunt (Tia) Bella Rosa Villegas.

Irenia was the eldest of 7 children, she was born in Marion Texas on August 23, 1961 to Elvira Villegas. She is survived by 3 brothers, and 2 sisters, Francine, mother of Matthew, MaKena and grandmother to baby Ryan (These children were very loved by our mother), Ernesto, Ramiro, Lydia and Enrique Jr. Irenia is espoused to James White and together they have parented 5 children. Her Eldest is Teresa R. Anderson (husband DeMarco Anderson), parents of her

grandchildren Nya and Jada, her second born Renata J. Vaca,(husband Kevin Munerlyn) parents of Kastiel, Amora, Quinton and Ariana. Irenia's youngest natural born child is Olivia S. Vaca. Irenia is also known as mother to Kendra D., mother of grandchild Gabrielle and James Jr.(wife Valerie White) parents of grandchildren Savannah and Joshua. Irenia, is also survived by her lifelong friend (sister) of 28 years, Jackie Carmouche-Hawkins.

Tia, our saving grace. Nothing in this world will ever take away the feelings of the memories we made by day. You played a big role in my life, in which shaped me into who I am today. Even though, none of us were ready to let you go.. I know you're in God's arms and walking the streets of gold where pain and worries don't exist. As God gained an angel, so did I. Watching over me, as I make you proud. Such a strong beautiful soul will always be missed. Thank you for all you've done for my mom and I, what a blessing it was to have been by your side. My guardian angel, we'll meet again. I'll always love you, it's not the end. With love, Makena

It breaks my heart to see my beautiful friend hurt for her momma and I know you will be greatly missed. Your beautiful smile in all the photos I've seen posted show such genuine love and happiness. May you Rest In Peace and make heaven shine just a little brighter with that beautiful smile of yours.

I'll never forget when I first met you and how nice you were to me. I could see the pain you endured through your smile. You were such a vibrant woman and strong as well, I remember I asked you advice about something and in spite of what you were enduring at that time you still gave me realistic advice. That's why I love you because you were always that voice of reality and no sugar coating. You are now in a place with no suffering and pain. No more pain and you're with God. We love ya MOMMA Irenia!! 🙏🥹🙏

Mom I can't express the words of solemn pain that we, who you loved so beautifully, are feeling. The feelings of regret for not telling you a million times over too many, how profoundly you touched my life all of these years. It's never been more evident than in these moments how deeply your life and love have effected me. You've stained my soul red with your love forever. My heart bleeds to not have you near but I know this is only.... see you later. I'll be missing you always.
