Kathy Shaw lit a candle in honor of Odelia.

I am going to miss you Aunt / Mrs. Odelia you and Ray are always outside doing something in the yard when I would go to Aunt Jo Ann's. I know you haven't been out side in a long time but this is how I am remembering you. You had a very beautiful yard and you love to push Ray around but that was how much you 2 loved each other. I know Ray and your family will miss you too but we will be here for them all. Just wanted to let you know I love you so much. Have fun and enjoy your day up there with all of our families and Our God . I know you are in a better place because you don't hurt anymore. Tell my daddy hello please for me if you see him. Thank You God for taking this Angel.
