I am so proud of my baby brother. I know, you didn't like me calling you baby brother. I bragged to everyone about my Texas brother. You may not have been as important as i told it.. but, you know in my mind you were.You and I fought as kids. But, you made me tough. Thank you. No man dare ever hurt me. You taught me to take care of myself.As you told me 8 days before you left, "you'll be the last one standing". At first I didn't know what you meant. I realized I am the last of the 5 siblings. I hated when you said that. It made me fell very lonely and long for Home.As adults we became friends, I am so glad God made you my brother. Tell everyone at Home hello for me. See you soon brat. Love you very much.I miss you alreadyDelores
