I am so sad to find this site. I met Bob several years ago at a gun show in Houston. I talked to him several times on the phone and am the proud owner of two of his knives. I was searching on the web to find him. I wanted to relate how much praise I received about one of his hunting knives that I loaned to a friend. I am so sorry for your loss and want to express what a gentleman Bob was. I am grateful for the chance to know him and I am sure that he will have a reward in heaven. Ben Costin
