I am sitting here in my garage and I felt a warm sensation ( almost like a hug ) and immediately your name came to mind just out of the blue... thanks for the visit my friend !! You always knew when I needed and extra hug or shoulder rub. I sure am missing you Buddy but I know you'll be waiting for me when it's my turn. I will love you forever, Rod !! We have know the Rodriguez family for approximately 26 years. My daughter, Anita, and Eric and Christian (his sons) are long-time friends and attended school together. The Rodriguez family was very traditional and a loving family. Mr. Rodriguez loved Mexican music and he loved to dance with his lovely wife (may she rest in peace). He was very dedicated to the church and Mary's kitchen. Our hearts go out his family. May God give them the strength and Peace during this difficult time. RIP Mr. Rodriguez.

I met Mr. Rodriguez in Church, he was always there early to say the rosary and when I decided to do the same, it was nice to know that he would usually be there as well. Something about his smile made me introduce myself to him; he will be missed. My condolences.

When I first met Rod I noticed that he liked his Mexican music and loved to dance. He was such a great help to Rudy at Mary's kitchen. About a month before he got real sick, he was like the ever ready bunny. He picked bread, helped with the table and chairs. He help clean up after the dinning area was empty. It broke my heart when he told me that he did not have long to live. He will be deeply missed. I will remember him dancing to his music and have a big smile on his face. My prayers are with the family. He loved them so much.
