Mimi you were always a constant in my life. I'm so thankful for all our beautiful memories. Playing dress up, making mud pies, playing my organ in the hallway on the red carpet, also remember eating Sally the turkey for Thanksgiving(I wasn't suppose to overhear that lol). There are so many more like all the vacations we took, the glass bottom helicopter ride over Hoover Dam, also our trip to Hawaii. I'll always love and miss you, goodbye for now Mimi. Until we meet again...

Kara & Family lit a candle in honor of Mary.

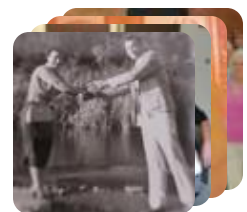

Mimi we've made so many memories together and I'm so blessed to have had you as a great grandmother. My fondest moments with you were during our little walks around the garden; we'd always stop by the beautiful blooms to watch the hummingbirds flutter around. Now every time I see a hummingbird I think of you. We all love you Mimi, you've meant so much to this family!
