Vanessa Castillo

JAN 11, 1964 - MAR 10, 2019

Vanessa Castillo. (age 55), went home to be with our Heavenly Father on March 10, 2019. She was born in Houston, Texas on January 11, 1964 to John and Irene Castillo. She graduated from Health Professions High School and attended San Jacinto Cosmetology College.

She was dedicated to her career as a stylist and performer. She spent her entire career and early adolescences bringing out the beauty in others and helping them find their true inner beauty.

Vanessa has won awards as a stylist and performer, way too many to name. She loved what she did, but don't get it wrong if she didn't like it, she will tell you (with a smile).

She is preceded in death by her grandparents, Mr. and Mrs. John V. Castillo, and her Grandmother Beatrice Ramos, and parents John E. Castillo and Irene S. Magallanes, and her brother Patrick Castillo.

Vanessa is survived by her sister Veronica Rodriguez (Benjamin); Brother Lio Magallanes (Wendy); 6 Nephews, 2 Nieces, 1 Great Niece and 6 Great Nephews. She is also survived by many Uncles, Aunts, Cousins and many friends.

Vanessa you were truly loved by all and will be extremely missed.

I just found out about Vanessa and this breaks my heart. I hope it gives her family comfort in knowing how special she was and how much I adored her. She was always so kind to me, but also very up-front when I needed to hear it. I loved going to Ceron Salon and was a client of many years. I knew she was ill but had no idea how bad. She texted me several weeks ago and said she was hoping to get better soon. Prayers to you in heaven wonderful lady and to your family here on earth.

Thank you for being you, for sharing your love with me, for inspiring me to accept myself, for helping me see the beauty in imperfection, for showing me that love is something you do, something not just to be said, but also to be shown...When you left you took away a part of me. The one thing you couldn't take away were the many memories that still remain forever now...❤️

I am so grateful for our friendship! We met in hair school! 🧑💇 From the day we met we were always together. I not only looked to you for hair advice but for REAL WORLD ADVICE! You kept me in line, you taught me to be strong, to not give up, to keep fighting, to push through, to be grateful and the best LOVE ADVICE! I can't forget, you also taught me my makeup skills! 🗨️ After our hair school days we went into the hair world together! I got a job in the salon industry and made sure there was a spot for you to join me more than once. You were more than a friend, you were my Rock! I love you and I miss you so much already! Until we meet again my dear sweet friend!♥️

Nessa..When I walked into this family you were the first one there with open arms and we never look back. All the fun and adventures we shared in Corpus.The late night talks about what's going on both sides.(family) No one will never take that place or understand our relationship. I don't know what I am going to do without you. But I can hear you.. telling me its going to be okay and stop crying, but I can't. I miss you so much.. Love you always Val..
