Aunt Pauline was the sweetest soul! She was so loving, kind and soft spoken. This world lost an amazing person who saw unique beauty in everything, even in hardships. She loved and cared for everyone she met and offered forgiveness even when it wasn't asked of her. She never held a grudge to those who wronged her and she loved deeper and stronger than most people ever will. Aunt Pauline, I will miss everything about who you were. I love you. You were one in a million. There is definitely not near enough people like you here. The world needs more Aunt Paulines.

Pauline is considered our sister-in-law, but in reality, she was the fifth "Brasher" girl. All four of us considered her our sister. In my whole life, I never heard her say anything bad about anyone. She loved her children, her husband (my brother, Pete), and all of her family. She was so kind and truly lived her faith. I cannot believe she is gone and we will miss her so very much. Our love and prayers are with David, Tina and Chris. Beverly Brasher Hussey

There are no words to express how much I loved Mom B. She was truly like a mother to me. She loved me unconditionally and I loved our long conversations and will miss the phone conversations we had so often on my way home from work. She was the kindest, most forgiving person I have ever known. She always exhibited Christ's love even when she was wronged. I will miss her so very much. I love you Mom. I will love and cherish you always. Your Cher

My sweet Polly, she was a true earthly angel. I will always remember planting flowers in the flowerbeds, making planters, cooking hot dogs on the gas grill, going shopping with you and Anne looking for an Easter dress, our sweet visits. I am so blessed to have you in my life. I know you are happy now to be back with Pete and Anne. Love you always and forever, your Sugar Les.
