Fred Davis

OCT 2, 1928 - FEB 9, 2020

Fred Davis born to Robert McDonald Davis and Etta Mae Davis October 2, 1928. Survived by his loving wife, Patsy Ruth Davis, daughter's Debra Rohan of California, Annette White of Houston, Texas, Katie Sikorski of Tulsa, Oklahoma and son Steve Davis of Houston, Texas. Grand kids, Marcus Quintanilla of California, Jesse Manrique of Houston, Texas, Wayne Maitland of Beaumont, Texas, Michael Horton of Houston, Texas, Caleb White of Conroe, Texas and Halie Stewart of Conroe, Texas, Christopher Sikorski of Tulsa, Oklahoma, Savannah Sikorski of Tulsa, Oklahoma and Aaron Sikorski of Tulsa, Oklahoma and 14 great grandchildren. He passed away February 9, 2020 at the age of 91. He was tired and wanted to go with the Lord. Fred was a veteran with the United States Navy for 3 year, 11 months and 21 days. He was also a US Army Reserve for 5 years. He was a former lifetime member of Livestock Rodeo, retired after 21 years with Pacific Railroad, 24 years with Anheuser-Busch, 10 years of Security and 10 year of Neighborhood Watch. He was the last one of his family living, He said " I am blessed with a loving wife, family, great children, grandchildren and great grandchildren." He died at home surrounded by his family the way he wanted. Fred also loved his cat Spot #3 who was his constant companion for the last year. He loved to drink his coffee, smoke on his patio and watch his 100's of DVD's while the cat slept at his feet. One of his greatest accomplishments was when he was 80 years old he completed his GED. The security company was going to let him go for his age and used the excuse he did not have a GED or High School Diploma and he was not going to allow them to win. So he obtained his GED and in the end the scheduling and his poor eye sight he was forced to quit. Fred lived a great life and had a great run. He will truly be missed by his friends and family and anyone who had the pleasure to know him.

This is a great photo of Fred. I don't think I've ever seen a better one. It's hard to put into words, the memories I have of Fred. Some are so funny...they still make me laugh. I'm happy that he and Patty found each other. She was a good wife to him. She is a really, a good and nice person. And very thoughtful. It makes me happy to know they shared so many years of happiness. We'll all miss Fred and his funny ways. My, how he loved to tinker on things. That was his main hobby. Anything broken, Fred could repair it. The list could go on and on. Fred will be missed by all.

Being his first born I was blessed for 66 yrs. He taught me so many things it's hard to list. Daddy dug and helped me plant my first flower bed, he also broke my heart when he mowed over it. I didn't know about Annuals until he explained, I still don't buy annuals. I watched him for months rebuild a complete car engine single handedly in the 60's. He taught me all I know about wood working and carpentry. He built some very nice furniture that I am grateful to have still. Daddy taught me to bowl and he loved building Martin Birdhouses to help with mosquitoes. He had a work ethic that was beyond compare. I am not sure now how I will ever stop missing him everyday. Rest In Peace sweet Daddy your work on Earth is done. I will miss you forever Always, Debie Lu (he called me this more than anything else

Every word from Debie Lu is true. She was torn between going to CA to live with her son and family. She's a loving , caring person. So tender hearted. I'm happy that she got home before he passed on to a better place. No ackes or pain. Thanks to God for his great life. I have to thank him and God for giving me three three children, Micheal Keith Davis, Steven Dale Davis and Debra Louise Davis. Quintanilla,, Rohan.
