My sweet friend, I am so sad that I did not get to see you again before you went to heaven. I'm sad that I did not know that you had gone home. I was so very blessed to have your friendship and blessed to be able to help you as much as I could. You were always so sweet and welcoming and I loved the ice cream shakes you would make for us and sitting in the sunshine in the driveway watching the neighbors. For your earthly family I wish them all peace and comfort when they miss you the most. For your heavenly family, I smile to know that Victor and Randy are glad to have you with them. Much love to all and thank you Viola for a long, sincere, and special friendship. Joy

Mom, I will dearly miss you. I know you are with paw paw and Raymond, just remember I have always loved you and will miss you. Go be happy and out of pain. I love you forever and always.
