Where to Begin...Ruben was many things to so many people. He was a Man of Faith and I was so proud to know him. He was a Husband and his eyes would light up when he spoke of Geraldine. He would often talk about her and how proud he was of her. Ruben was a Family Man, a Dad, and he set the example for other Dads to follow. So proud of his kids (now adults)!! We would often commiserate about raising teenagers and all that involves, but his love for them always shone through!! He was a Manager, and a great one. He built a hard-working, knowledgeable team that could handle anything that came their way. His team would have "followed him into battle" if he needed them to! I knew that no matter what I asked of Ruben and his team, they would take care of it! I have been blessed to work with a lot of great people and Ruben tops the list. He loved his team!! Ruben, the Comedian, could always make me laugh...we really needed to laugh sometimes with the pressure and stress of our jobs. Sometimes I would call Ruben just to check in at work, not really needing anything, but knowing that he would make me laugh and my day would be a little bit brighter. I am heart-broken that this wonderful man left us way too soon, but the impact he had on me and so many others will continue for many lifetimes. The way he lived and loved is a testament to who this man was!! Hopefully, we will all take some of this away with us and be better people for it. Geraldine and kids, know that you were loved and anyone who spent time with Ruben knew this. Ruben, my friend, Be at Peace! Rest well knowing that you have a wonderful family and many, many friends who love you and will miss you always. All my best, Debbie.

Ruben was ALWAYS there for his kids! I knew him as the ultimate family man. He loved his kids, encouraged them, and was so proud of his kids. What a great dad! He was a best friend to Gary, my kids dad, and truly showed him what a great dad is. Thank you Ruben for being a great family man. Your children will be your legacy. Those three kids are so smart, giving, responsible, and just overall beautiful people. "Well done, good and faithful servant!" -Matthew 25:21. With a sincere heart, rest in peace Ruben. This cross of illness that Ruben carried is an inspiration to me. He allowed people to help him like Jesus let Simon of Cyrene help him. I pray that Geraldine and their children may receive the grace of consolation. And that the Lord will grant mercy on Ruben and then bring him to life everlasting in the great banquet in Heaven. 🙏❤️

So many wonderful memories he left us with. He always called me Ms Christine and he was my rock at work. We supported each other through the rough times. He always knew when to call when I was having a bad day. We always had to get a drink when he was in town because work drove us both to drink at least that's what we said. He loved his family and I got to know them through all the stories and pictures. I will miss you so much My friend. You are Home. Rest In Peace.

Ruben was a great person a wonderful family man. I would see him at church with his family and then there were times a while back when I would see him at the YMCA early in the morning. We didn't really talk much, but as time went on I was able to learn more about how he served at St. Andrew. Ruben was a behind the scenes person who dealt with budgets and finances. Then I attended and served with him on ACTS retreats and was able to get to know him better. To me he was a quiet but strong leader. He reminded me of St. Joseph. He will be greatly missed by everyone

I will forever remember Mr. Solis, outside my classroom window in the evenings, sitting on a bucket, and tossing balls to Alayna to hit. He was always his kids #1 fan. He was not just dad, he was their first Coach. Colby was in Kinder when Alayna was in my first grade class. Colby had just started Little League and our "Coach" wasn't dependable. My husband would always stop and talk to Ruben about baseball while he waited for me to finish up in my classroom. I don't know what was said in those conversations, but the following year my husband was Colby's Coach, and he Coached him until middle school. I know in my heart that Ruben set an example for so many dads to follow. He showed people how to be a great dad through his actions with his family. He was the true definition of a family man. He was always standing proud when he was next to his wife and kids. I remember him at every major event and function while Andrew and Alayna were at North Shore Elementary. Because of his love for his family and his actions while raising his beautiful children, his legacy will live on for generations to come. Ruben Solis Jr will never be forgotten. My deepest sympathies to the Solis family. You are all in my thoughts and prayers.
