Betty Mills

FEB 11, 1936 - JUN 5, 2020

Afterglow
I'd like the memory of me to be a happy one,
I'd like to leave an afterglow of smiles when life is done.
I'd like to leave an echo whispering softly down the ways,
of happy times and laughing times and bright and sunny days.
I'd like the tears of those who grieve,
to dry before the sun of happy memories
that I leave behind when day is done.

Mrs. Mills was such a kind person. She was selfless with her time and words of encouragement. I was so fortunate to have met Mrs. Mills during a special time of my life. I was new to a district and later I was getting married. When we met, I felt like God had given me one of His best angels on earth. Over 30 years, Betty and LeVert have been there for me. Betty was so humble. Her writing skills were so full of life and magical. It was almost like you can smell the beautiful scent of her words. From meeting in this district to all other significant moments in my life, Betty and or LeVert would be a legacy of support. Also, Betty was so dignified in her conversation in that she would have given you a scolding of the tongue and still be loving you at the same time. 😊 Even though she was older than me, she always respected my views and my conversations. We never had a disagreement!!! Even when my decisions were not popular; she always had a way to make me see the bigger picture. I thank God that she was my voice of reasoning not because of the age difference but because of the God in her. God showered me and others with His blessing with the presence of Mrs. Betty Jean Mills. Daddy God please comfort Mr. Mills, LaToshia and the rest of the family and friends. Rest on Mrs. Mills, you can now put down your pen and paper and partake of the beauty beyond the skies. Sincerely, respectfully and prayerfully, Audrey Jones and Elbert(Son)

There has never been an event, birthday, sympathy, or just thinking of you that a card wouldn't pop up for mom from Sis. Mills. That was her own personal ministry, and although it may seem a small act of love, it meant the world to us. She will be missed, and her memory will forever live in our hearts. We send our love and prayers of comfort to the Mills family. Patricia and Byron Nunn
