Always in the hearts and minds of everyone she has touched. Always out spoken, and in your face. Never backed down and always stood up. A fighter, and loved everyone. Love is what we send, and peace is what she will receive. Pain is no more fear is gone , and grace is always there. Rest now and be free. Love you

We shared the love of a spear, a head butt, the sleeper and a slam as well as watching Andre the Giant, Rick Flair, Ultimate Warrior, and Hulk Hogan. Though there was distance between us we still loved one another seeing less each passing year if not ten but there was love. In addition to our namesake, our love of a take-down, we shared memories of a mall rendezvous and my son never knowing you still recognizing that ADRIANO look, walk and laugh. We made a few moments that has lasted years and embedded memories of love - family love. Cuz Georgia, this Cali blood loved you when you walked and forever more, now that you lay. Thank you mija for my time with you and the HELL that you raised. So continue it here, there or wherever you go. To her Texas clan (family, friends, and acquaintances) I pass on my condolences for she was a special and unique individual who will be missed and loved. Until we meet again your Cuz Mando.
