I just saw this .my heart goes out to Larry and B.J. and Joni. I still live in the same house.same number. 9/11 brought back memories as I drove Vernon to get the renewal of his driver's license in Baytown.We both wondered why they rushed him and out so rapidly. Come to find out twin towers were bombed.Once everyone moved off I lost contact. PrayersPat Oldham

To the Spell family, Heaven has gained another angel. Jami, as I would spell her name was the best of the best playmates and even into our late teens. Geez, I sure wished we could have gotten together again. I'm sure you were received with open arms. I always remember you on Dec 7. To her family, my deepest sympathy as you continue on. She is now with Aunt Ronnie and uncle Paul who will continue to watch over us all. RIP my sister friend. Your job here on earth must've been done. Deda (Melinda Cardona Garza)
