Angela Suzanne Broyles

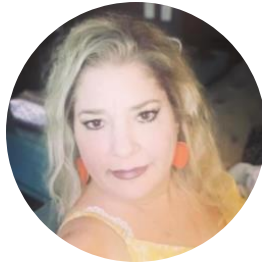

JAN 1, 1975 - OCT 12, 2021

Angela Suzanne Broyles went to be with her Savior on October 12, 2021 at the age of 46. She was born on January 1, 1975 in Houston, Tx to Tommy and Jill Baker. Angela graduated Magna Cum Laude from the University of Texas at Austin with a Bachelor of Science Degree in Speech Pathology and Audiology. She was a member of the Delta Gamma Sorority where she created many new friendships. Next, she attended Lamar University in Beaumont, Tx to further her education, but decided to change her career path here. The next 24 years she worked at various companies, all in the recruiting field. VMware was her latest employment where she served 7 years as a Senior Technical Recruiter. Anyone that understood Angela knew that she had a passion for the things she loved. Angela loved to cook, bake, watch romantic comedies, and decorate her home for the holidays. Angela took pride in her famous July 4th cake. Angela was an avid Longhorn fan and never missed watching a UT football game. Family was extremely important to Angela. Madison Lindsey, Austin Barrett, and Maxwell Michael filled her heart with so much joy. Each of her children provided love for Angela in their own unique way. Angela enjoyed seeing Madison excel as a true artist, she loved watching Austin play sports and be in the outdoors, and lastly she loved Max's carefree attitude coupled with humor. She loved them fiercely, and she communicated her love for them often. Angela is survived by her mother Jill Baker of Montgomery, TX ; brother CJ Baker of Houston, Tx; sister Lindsey Rutan and family of Georgetown, Tx ; Barrett Broyles of Pflugerville, Tx and extended family. She was preceded in death by her father Tommy Lynn Baker and he greeted her at the Gates of Heaven.

My dear friend, I have found myself at a loss for words the past 7 days. Where do I begin? We go back a long way, yeah? From flying together to T Bar M in seventh grade...to having your dad drive us around in his convertible after discovering we had made the drill team, honking his horn in celebration the ENTIRE way home...to flying out to visit me when I was working in L.A. ...to driving 8 hours with newborn Madison to share and marvel at what precious life you and Barrett created...to providing much needed support during my single mom phase and vacationing in Galveston with our wee ones and imagining a future for Austin and Josie as they had professed their love for one another on the beach—at four years old...to you and Barrett hosting my girls on my wedding night so I could enjoy the first night of wedded bliss with my husband—SO MANY stages of life we shared together. But it's the next phase I can't wait to enjoy together...where we are eternal souls in Heaven, kicking it in God's kingdom! I remember trying to share my knowledge of the Bible and Jesus' promises with you over the past few years and would try and mix in worldly analogies to pique your interest. We were watching Bravo's Million Dollar Listings and as we oogled at the beauty of certain houses, I excitedly shared with you not to feel envious as Jesus said he was going to be preparing our Heavenly homes for us in John 4:2, and P.S. they might be mansions, bro! You were also excited to hear we get new bodies in Heaven (where we feel zero pain)—and according to the little kid who wrote "Heaven is For Real" NOBODY is old in Heaven—everyone remains the picture of their youth. You said, "Sign me up, sister!", and I said, "You're already invited, dude. When you accepted Jesus, that is the invitation that keeps on giving." I want you to know that I will remain in your kiddos' life for the rest of my time on earth. Knowing Maddie, Austin and sweetest Max has been a profound privilege, but continuing to watch them achieve major milestones as they grow? It will be an honor, dear friend:) Until we meet again, Angela... Love you BIG!

Angela had an impeccable knack for always finding the silver lining in everything. No matter how hard things got, she always had a way of spinning it into a positive. Angela - I loved hearing your stories and hearing your laugh. Your light was infectious and I always left each interaction with you with a smile on my face. I appreciate the time that I was able to know you. Your absence will be deeply felt.

Angela had a wonderful gift of connecting with people, truly connecting - quickly and deeply. She was warm, loving, funny, kind, sweet and generally a wonderful person. Angela - the world just seems a little less bright without your smile, your laugh, your light. Your silly jokes, our chats, the memes and pokes. I'll miss you every day, my beautiful friend. You personified Texas to me - Heart as big as life, bold and sassy, you were a wonderful, beautiful, loving, warm and sweet woman and you will be sorely missed. Most sincere condolences and love to her many friends and family, born and chosen, who loved her so much in this difficult time.

Eva Bermingham posted:

I worked with Angela at VMware. While we never got to meet in person because I am based out of Ireland, I always felt so much warmth and friendliness at the other side of the phone or the zoom from Angela. She was such a bubbly person and a really hard worker. We would describe her in Ireland as - "the salt of the earth" - which is a huge compliment to someone who is down to earth, generous and good humored. Angela used to tell me that she learned loads about making competitive offers from listening to me but I never got to tell her that I learned loads about being a kind and warm person from Angela. Angela you affected my life without having met you in person and your loss is sorely felt. Rest in Peace. Love Eva

Angela recruited me for an over seas job back in the early days of the Mid East Conflicts. She was considered a Rock Star by all of us in theater. Whenever any issues arose, Angela was on top of it. She knew that we needed to stay focused on our jobs, and not need to worry about problems back home. Often times her & I would email multiple times a week, just to keep in touch. Angela always made herself available to those of us down range, even if it were just to have a friendly voice or reassuring friend when we needed one. Angela will be fondly remembered by all of us who had the privilege of her friendship. Her family was everything to her as she routinely demonstrated at every given opportunity. She was the best of all of us, for me personally, I am heartbroken over her loss. Her kids were her world. And this world is far less without her in it. I hope and pray that she found peace. Love and Miss You "Bear-Ang".. Hold a place for me at the table.

Kind, thoughtful, passionate and hard working are some words that I would use to describe Angie. She was a mother before all else. She loved her kids and family and talked about them all the time. She was committed to her job and her team and was incredibly dependable and dedicated. I will miss you, sweet lady. I will miss our real and raw conversations. You always did keep it real. I appreciate the precious time that I had getting to know you and pray that you rest in eternal peace
