Elijah Atticus Lott

SEP 5, 2000 - JUL 30, 2022

Elijah Arricus Lott, passed away on July 30, 2022. He was born on September 5, 2022 and was a blessing to his beautiful family.

God hath not promised skies always blue,
Flower-strewn pathways all our lives through;
God hath not promised sun without rain,
Joy without sorrow, peace without pain.

But God hath promised strength for the day,
Rest for the labor, light for the way,
Grace for the trials, help from above,
Unfailing sympathy, undying love

Dear Elijah, You were a special gift to all of us. You always had a big smile for me. You got joy watching the baseball games on TV. You had such a kind spirit and were a super warrior. You fought for your life so many times with such determination and always prevailed. I was certain you were going to do it again, but evidently it was time for you to rest. I wasn't ready to say goodbye. Your life was a blessing and your memory a treasure. Love and hugs, Grandma Judy ❤️

To Brigette and family, Thank you for allowing me into your lovely home to teach Elijah when he was a student. He could not have had a better home and a more caring family to look after him. He was so loved -and you made sure he had all the services and resources available. I will never listen to the song Amazing Grace again without thinking of Elijah- especially his love for and responses to music! The days we brought in his music teacher to class were the most fun for all of us! We would place musical instruments in his hands and help him play along. He usually wore his school shirts and looked pretty amazing! Another fun memory I have is when nurse Peggy and I were trying to engage Elijah in zoom lessons during covid - one time he was accidentally wrapped up in sheets Peggy was trying to unravel - and he seemed to enjoy the hilarity! Being with Elijah taught us a lot about the more important things in life: caring, patience, compassion and love. Elijah, your family will miss you so much but, as mom said, they are comforted knowing you are singing and moving freely in heaven and all is well with you there. We will treasure our fond memories of you here and are grateful and blessed for having known you. Ruth Cattanach Homebound Teacher

I loved the way Elijah would get excited when he heard his mom's voice. I remember how he would hit his little music box on his bed to hear music over and over again. Elijah had a spirit that touched anyone who knew him. I am thankful to have known him 🙏❤️
