Modesta Arbaiza

JUN 15, 1937 - JAN 2, 2023

I'd like the memory of me to be a happy one.
I'd like to leave an afterglow of smiles when life is done.
I'd like to leave an echo whispering softly down the ways,
Of happy times and laughing times and bright and sunny days.
I'd like the tears of those who grieve, to dry before the sun;
Of happy memories that I leave when life is done.

My Aunt Maudie lived an amazing life, She grew up poor but happy moved from the country to the big city with her family in the 50's she was beautiful an funny and could absolutely be a force of nature when she got angry, I remember when I was a boy and young teenager we'd spend time with My grand parents Uncle's Aunt's an cousins on the holidays popping fireworks, We'd all get in a circle and hold hands put a whistle chaser on the ground and light it and all most every time it would chase Aunt Maudie, fun time's, My mother and her were very close , They both cared for their mother up until grandma's death at Aunt Maudie's home, Aunt Maudie even took care of my mother Katy for a short time but my mom wanted to stay in her own home and then my niece Erin took care of her till my mother's death, She always helped out anyone who needed it.

My aunt Maudie was a one of a kind woman, she did almost everything on her own but wasn't too proud to ask for help when she needed it. She loved her brother, my dad and he loved her. They took care of each other for as long as they could. Maudie, I love you and you will be missed. Say hi to Casper, Grandma and Grandpa.

Aunt Maudie was always so full of energy and excited. She was very kind and would help anybody that she could. She was hard working and independent and i loved that about her. She will be missed dearly. Rest in peace Maudie.
