### Psalm 23

The Lord is my shepherd, I shall not want;  
he makes me lie down in green pastures.  
He leads me beside still waters;  
he restores my soul.  
He leads me in paths of righteousness  
for his name's sake.

Even though I walk through the valley of the shadow of death,  
I fear no evil;  
for thou art with me;

thy rod and thy staff,  
they comfort me.

Thou preparest a table before me  
in the presence of my enemies;  
thou anointest my head with oil,  
my cup overflows.  
Surely goodness and mercy shall follow me  
all the days of my life;  
and I shall dwell in the house of the Lord  
for ever.

Wow there are so many memories I have of my brother George. Especially times when he lived with us. We would talk about good times, bad times and sad times, but would always end up laughing and crying together. As we got older and became closer to God, he would always read and explain the scripture to me. When he realized his time was close. We talked about how much we loved our family, and he would ask for forgiveness from everyone. He will be missed but always loved. May you be showered with God's love as you rest in eternity.

Uncle George, one thing I will never forget is your love for sports. I can't remember a time where I didn't hear you in a conversation about some sort of sports team. I can remember some of the last times we spent holidays at the house that one TV had to be on a sports game. Mamu or someone would be like George has that tv on for the game. I love how you loved sports so much and how it transferred down to your nephews and family too. I would tell Sebastian how much you enjoyed playing basketball too and would go to any park and "pickup" a game to play no matter where or time you enjoyed the game and could outrun and out play some of those young kids! We love you Uncle George and will miss you. Love your niece Melinda

Georgie, my cuz I will always remember when we were young teenagers the summer you came down to Robstown and helped Grampa Lupe and I hauling watermelons all over the coastal bend. May St. Peter await you at the doors of heaven and God bless you upon your arrival. Ram Gonzalez

George, I remember when you would come in my room and tell your son Michael when he was around 5 years old to get out of my room let her rest. She's been at work all day. I would tell you it's fine. We're watching our Barney videos I would buy for him. That same sweet love I shared with him. You shared with my son. Y'all would be up late at night talking about history or cars and I would tell John go to bed let George rest. He's tired. You'd tell me it's ok ok mejia I love talking with your son. I thank God for all the memories and all the good and the bad times we had. My heart is sad. But I know you are at peace. If you see dad give him a big hug from me. Love you 😊
