This was really shocking and unexpected. Augi was one of the persons in shop I got really close with. The "always ready to help" attitude from him can't be seen that often in people. The smile which he always had on his face was truly inspirational. Whenever I had a bad day with work pressures and all, just some silly talks with him boosts me up. It's really hard to believe that I can't find that smile anymore in shop.REST IN PEACE my friend.regardsAbin
