My Grandpa loved to BBQ and make his famous brisket a lot .I loved picking him up and taking him to get food together.He showed me how to cook and always prayed for me.when I was in need.He loved to always help me with anything I had going on.He loved all of his children,grandchildren,and great grandchildren.He made sure to always have ice cream for Joshy,when he came over.I will always cherish the good memories and times we had together.I loved my grandpa deeply and will never forget everything his taught me in life.

Sincere condolences to the family. I am so very sorry for your loss. May God provide the necessary peace and comfort to your family and friends during this difficult time. Please remember these words of encouragement from the Bible: " Jesus plainly told her: "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life." — John 11:20-25.
